NPGA rules will govern all NPGA classes. Per NPGA show rules, it is the exhibitor's responsibility to make sure that their animals are entered in the correct classes. *Please do not send in entry forms without class numbers listed for your goats.* Any NPGA animal over 6 months of age must be tattooed or microchipped prior to being shown in a sanctioned NPGA class or wether class according to NPGA show rules. All goats entered in the NPGA sanctioned classes must be accompanied by their NPGA registration certificates. Registered wethers should also have their registration certificates accompanying them. Unregistered wethers can be shown in the wether classes. Unregistered does may only show in their respective unregistered conformation classes.
